

Activities for the Conway Youth Rally 2019

In 2018, the teens of Conway church of Christ expressed an interest in participating in the work required to plan our annual youth rally. Many of the changes you might notice in our schedule for weekend have come from our group of teens that we call the S.W.A.G. group (Saved With Amazing Grace). One of the biggest changes we are attempting this year is what activities we have chosen to do for the weekend. For the 2019 youth rally, we are only offering two activities for free time on Saturday. There will be no tubing, no boys basketball Saturday evening, and no shopping. In their places, we have come up with other alternate activities that we believe will be fun and more inclusive for all who come.

Options:

1) Archery tag/Knockerball

Prepare yourself for a ridiculous amount of fun as we attempt to introduce these activities to the schedule. Please note that there are only 60 slots available. These slots will be filled on a "first come, first serve" basis; which means those who send in their registration forms early have a better chance of gaining one of those slots. Proper clothing is a must! Management has requested that all those who are participating wear either jeans or athletic pants/shorts and only close-toed sneakers for shoes (no boots at all).

2) Bowling

This year we are able to rent the entire facility for youth rally participants! This facility includes pool tables, an arcade, and air hockey. Be prepared to bring your own spending money should you desire to play any of these extra games besides bowling.

Check here for which activity you would like to participate in:

- Archery tag/Knockerball _____
- Bowling _____

Parents please note: Your child/children may be transported to and from these activities with a chaperone other than the one they originally came with. Anyone transporting youth beside their own needs to be 24 years old or older.
